

Dear Parents,

Christmas performances:

This week our children showcased their acting, singing and dancing talents with two performances. On Wednesday morning Early Years and KS1 performed "A Christmas Recipe" which is a fun musical about all of the things that make Christmas magical. On Thursday afternoon Key Stage 2 performed a selection of Christmassy songs that were linked. Please check our latest news section of the website for some photos. Lots of families attended and it was heartening to hear such encouraging comments from you all about the performances. We must say a big thankyou to you the parents for supporting your children, the staff for their tireless efforts to put the performances together and of course the children for being so talented, brave, creative and funny!

Save the Children Christmas jumper day:

Thankyou again for your contributions during Save The Children Christmas jumper day last week. We managed to raise a total of £211.74 which will make a big difference.

PTFA Xmas fete:

We had a really successful Christmas fete last Friday after school that was very well attended. We must thank the PTFA committee for organising it so well. After expenses they made a profit of £879.84 which is fantastic news for the school!

Happy Christmas!

Please remember that we finish today at normal time and the children come back from holiday on Tuesday January 6th. Also there is no play centre today. On behalf of the entire school community we would like to wish you all a very happy and peaceful Christmas.

Dates for the Spring term 2015 (please also check our website for updates):

Thursday 8th January – KS2 football match vs St Judes 3:45 @ GMH Park
