

**Volume 9 No 35. 24th June 2016**

**Dates for the summer term**

## Dear Parents,

It has been a historic week this week with the EU referendum. Yesterday children across the school had a great opportunity to learn about the democratic process. They debated the pros and cons of both the remain and leave campaigns with enthusiasm and maturity.

### Potential closure:

The biggest teaching union, the NUT has voted to take industrial action on Tuesday July 5th. We will keep you posted and give as much notice as we are able as to whether we will be able to open or not. As with previous strikes however, we have not been able to keep the school open due to the lack of suitably qualified staff

### Open morning:

Thank you to the parents who came to our open morning today. We hope it gave you a flavour of what the children have been learning about lately.

## Children's learning at Friars:

Children in our Nursery have been learning about money. Kai could say what money is used for, he could read and write numbers and recognise coins really well.
