# Year 5

Year 5 had a brilliant time visiting Two Temple Place on Wednesday. First up, the facilitators invited us to tackle the question 'What is art?' Johnnie described art as 'a blank picture and the artist can do whatever they want'. Kwaku said that art 'has endless possibilities and forms'. What would your answer be?

Highlights from the Tudor galleries were wonderful stained-glass windows depicting sunrise and the sunset, another opportunity for us to reflect on the question, 'What is art?'

Year 5 were introduced to different forms of art including photography, oil paintings and ceramics. After lunch, we were inspired to make our own art. We chose to sketch the toys we bought with us and even made a 3D sculpture.

We had a lovely time! A big thank you to our parent-helpers!
