

Year 4 - Autumn Term 2 Parent Leaflet

This half term we will be learning about	
English FARTHER - Grahame Baker-Smith Weslandia - Paul Fleischman Beowolf - Michael Morpurgo	Maths Subtraction Multiplication and Division Mastering Multiplicity
Science States of Matter	History Anglo-Saxons
Religious Education (R.E.) What is special to me and my community? Hinduism	Art Manipulating colour to create light and dark tones to create 3D shapes/ textures
French Learning about the world	Relationship, Health and Social Education (R.H.S.E.) Families & Committed Relationships
Physical Education (P.E.) Using games (cricket) and swimming to build our core muscle groups.	Computing Deepening our understanding of block coding.
PE Kits: Please can children wear their PE Kit.	Notices: Please remember that children should bring their book and reading record to

How to help your child this term:

school every day.

Practise all times tables up to the 12x table!

We have a couple of online tools that can help www.topmarks.co.uk/mathsgames/hit-the-button https://ttrockstars.com/ (log-in details are on the inside cover of their homework books). Problems getting online? Not to worry, physically writing out the times tables significantly helps children to memorise them, they can start writing them out at the back of their homework books.

Finally, feel free to help your children with ideas for their homework projects, Freckle is designed to work best when they independently.
