5th November 2025

Dear Parents

Year 6 have been invited to attend a science focus week working with an organisation called IntoUniversity, which was set up in order to consider higher education. This year the project is set to continue with a week of activities commencing 17th November 2025. The children will be leaving school at 9.15 am on Monday, Tuesday, and Wednesday and walk to the Old Kent Road, returning before the end of the school day. On Thursday 20th November, we will visit the Horniman Museum, leaving school at 9.15am and travelling by bus, returning before the end of the school day. The week will end with a graduation at Cambridge University. We will leave school and travel by coach at 8.15am, and return to school at 4.00pm (traffic permitting).

In order for children to take part, the registration form attached must be completed and returned as your child will not be permitted to take part without it.

Please read all details carefully.

Children will need to bring their packed lunch and water for Monday to Thursday, please remember no sweets, chocolate, nuts or flavoured/fizzy drinks are permitted. If your child requires a school packed lunch, please indicate on the form below and return to school ASAP. Please note that on Friday 21st November 2025, children will be provided with a hot lunch in one of Cambridge University's dining halls. Please indicate on reply slip below any special dietary requirements.

Thank you for your continued support

Ms T McKenzie
Year 6 Teacher

IntoUniversity Week commencing 17th November 2025
