22<sup>nd</sup> June 2026

Dear Parents/Carers,

## **RED WEATHER UPDATE**

Due to the rare **Red Weather Warning** currently in place and the forecast of extreme weather conditions, we have made the decision to **close the school early on Tuesday 23<sup>rd</sup> June, Wednesday 24<sup>th</sup> June and Thursday 25<sup>th</sup> June (with a review pending for Friday 26<sup>th</sup> June)**. This is to ensure the safety of all students, staff, and families.

As our school has a limited number of air-conditioned rooms, we are unable to provide a safe and comfortable learning environment for all students during the hottest part of the day.

We kindly ask that all children be collected from school at **1:00 p.m.** on the dates listed above.

If you are a **key worker** and are unable to collect your child at this time, please contact the school office as soon as possible so that alternative arrangements can be discussed.

The safety and wellbeing of our school community remain our highest priority. We will continue to monitor official weather updates and communicate any further changes as necessary.

We have cancelled all clubs from Tuesday until the end of the week.

If you decide you would prefer to keep your child at home as they are struggling with the heat, please let the office know and this will be recorded as an authorised absence.

Thank you for your understanding and cooperation.

Yours sincerely,

Jo Wratten

Headteacher
