

Friday 3rd July 2026

We've have had a fabulous Wellbeing week, with the grand finale of Wellbeing Day today (see photos on page 2 - more to follow). Perfect weather helped with the success of Sports Day. This month's Newsround captures it finely:

Fortunately, the weather next week is looking less hot than previously forecast so we are not predicting any adjusted days. We will make any necessary changes to activities on hot days to manage the heat safely.
