Foundation School

Friday 25th September 2026

Headteacher's Message

We hope you found the 'Meet The Teacher' meetings helpful. If you have any class queries then please speak to your child's class teacher at the end of the school day.

Communication – We will either send out notices through text, email, flyers or the newsletter.

Please check email regularly including your junk folder. We are working on resolving this issue with Arbor Management Information System. Later this term, we will be introducing the Arbor App for most communication.

Stars of the week!

Attendance and Punctuality

Whole school attendance for this week 96%

1st Place Attendance: Year 4 (98%)

1st Place Punctuality: Year 1

Messages/ Reminders

Contact details- If you have changed your address, telephone number, or email address, please inform the office as soon as possible.

Packed lunch- If your child is changing from a school meal to a packed lunch, please let the office know. This helps us ensure the correct number of meals are ordered and reduces food waste.

Term dates

Holidays are not allowed during term time.

Term dates can be found online and in and around the school.

Wick Court Savoy Event

A group of Year 6 children had an amazing opportunity a few weeks ago to represent Friars at a fundraising event for Farms for City children celebrating 50 years of the charity. Every year, we go to Wick Court Farm in Gloucestershire with Year 6 & 5 to experience the life of a farmer. Children learn new skills, overcome challenges and grow in their development, confidence and independence. During this event, children made canapés with the Savoy chefs and spoke about their farming experiences on stage in front of many sponsors to support this fantastic charity.

More Stars of the week!

Charity Event

One of our parents, Lucy Eades, in support of the Little Princess Trust, will be cutting and donating her hair this weekend to be turned into a wig for a child to wear with hair loss. The Little Princess Trust are a wonderful charity and do amazing work and research into childhood cancers. Please give if you can using the QR code displayed. Thank you.
