Crucial Note for First-Time Users:

- Accept the terms of use through the **webpage** first.
- You cannot do this through the app.
- The App will load once you are signed in
- Turn on push notifications for the App to ensure you receive all communications.

Know the difference

- **Arbor Parent Portal:** This is the **website version** you access using a web browser (like Chrome, Firefox, Safari, Edge) on a computer, laptop, or even your phone's browser.
- **Arbor Parent App:** This is the **mobile app** you download to your smartphone or tablet from your device's app store.

Please remember Parents have until 13th November 2026 to sign up to the Arbor Parent App as after this date, you will not receive communication and updates

All the best,
